

**1**  
**Familiarize**  
yourself with the learning platform, and make sure you can use it by yourself.

**2**  
**Allocate**  
a specific time for self directed pre-lesson learning.

**3**  
**Share**  
any questions or challenges relating to self directed learning or use of platforms with the teacher and/or peers.

## Flipped classroom

**4**  
**Complete**  
all pre-classroom learning activities before the classroom lesson begins.

**5**  
**Ready**  
for class?  
Your new knowledge will help you actively participate!

**6**  
**Express**  
any feedback in class, to continue to actively improve flipped learning.
