

Learning menus

1

Choose
a topic.

2

Decide
which learning
activities to include.

3

Include a variety
of activities for different skill levels.

4

Add multiple intelligence
learning activities.

5

Provide clear instructions
on how to use the learning menus.

6

Describe how
activities will be assessed.

7

Give meaningful feedback
for completed assignments.

8

Reflect with students on their
independent learning journey.
